

Help & Hope CARES Community Food Drive

Help a Neighbor in Need

November 1st to November 14th

Due to COVID 19, the November 9 Cares Colorado Shares food drive has been cancelled. This important food drive supplied a large percentage of the food and toiletries that HHC provides for our neighbors in need during the holiday season. We simply can't meet the needs of our Douglas and Elbert county neighbors without the food and toiletries that the 9 Cares Colorado Shares drive provided.

*Please consider joining us and organizing a food drive with your family, business, church or community group!
You will make a huge difference in the lives of our neighbors in need!*

Here's what we need...
